Immediate Release

Laptop Case of the Stars

East Orange, NJ, March 6, 2003 - Casauri's Odyssey portfolio laptop case in gunmetal was selected for the 2003 Screen Actors Guild Awards (SAG) Presenter Gift Collection. With laptops continually becoming a pervasive part of the Hollywood landscape for writers, directors, and actors alike, stylish laptop cases will fast become de rigueur. Casauri leads the way with cutting edge design combined with down-to-earth function. The SAG presenters to receive the Casauri Odyssey laptop case include: **Halle Berry, Pierce Brosnan, Uma Thurman** and **Julianne Moore**.

Casauri's collections are colorful and delightful to the touch. The *Odyssey Collection* is made from diamond-quilted PVC that has futuristic appeal. The color palette includes gunmetal, platinum, red, and black. The *Octopus Collection* is smooth PVC with a rubberized velvety surface. The vibrant, yet sophisticated colors are: kiwi, grape, slate, red, and black. Retail prices range from \$32 for the PDA cases to \$96 for the laptop cases.
